

LAKE BOMOSEEN SIGHTSEEING FLIGHT INFORMATION

Our most popular flight is a flight around Lake Bomoseen that takes about 12 to 15 minutes, including some time taxiing on the water. There is some flexibility in flying over specific locations near the lake. Just notify the pilot of a particular site you wish to see and/or photograph from the air. Two passengers may occupy a single rear bench. Weight restrictions may apply.

Additional options are listed below:

Tour Location	Duration	2 People	Single
Intro Ride	5 - 6 minutes	\$50	\$40
